NoteStyles	BarLeft
	BarRight
	BarTop
	BarBottom
	NoBar
NoteTypes	Information
	Success
	Warning
	Error
	Custom

Constants

Name	Type	Value
		This class exposes no constants.

Events

Definition	Description
Click(X as Integer, Y as Integer)	Fired when the user clicks the note.
CloseClick() As Boolean	Fires when the user clicks the close button. Returning True will cancel the built-in animation.
HeightChanged()	If the AutoHeight property is set to true, this event will fire when the height has changed to fit the contents.

Methods

Definition	Description
	This class exposes no methods.

Properties

Name	Type	Default Value	Description
AutoHeight	Boolean	False	If True, the control will resize to fit the contents.
BackgroundColor	Color	&c000000	Color used to draw the background when Type is set to NoteTypes.Custom
BarColor	Color	&c000000	Color used to draw the decorative bar when Type is set to NoteTypes.Custom
BarSize	Integer	10	Size of the decorative bar when Style other than NoteStyles.NoBar

From: https://graffitisuite.com/wiki/ - GraffitiSuite Documentation			
Name	Type	Default Value	Description
